

Enter your user name and password:

Choose the job in which you want to upload files. Then choose **Upload files**:

The window **Upload files** pops up:

In the input **Upload files** enter the name of the folder in which you will upload.

In **Notes** you can leave a note.

You can choose one of the two ways for file upload:

- Through drag&drop you can drag the files in the input
Drag Your Files Here
- After pressing the icon with the green plus a dialog window pops up, from which you have to choose the necessary files and press **Choose**

The files chosen by you should appear in the window **Drag Your Files Here**. By pressing the **Upload** button the whole upload process ends.
